

Title IX How to Contact OCR

A complaint of discrimination can be filed by anyone who believes that a school or college that receives federal financial assistance has discriminated against someone on the basis of race, color, national origin, sex, disability or age. The person or organization filing the complaint need not be the victim of the alleged discrimination, but may complain on behalf of another person or group.

For information on how to file a complaint with the United States Department of Education's Office of Civil Rights, visit
