Iberia offers both **online check-in** and **airport check-in** options, giving passengers the flexibility to choose what works best for their travel plans +1-(866)-(838)-(4934).

For most flights, **Iberia's online check-in opens 24 hours before the scheduled departure time** and remains available until **one hour before takeoff** +1-(866)-(838)-(4934). This allows passengers ample time to confirm flight details, select preferred seats, and download boarding passes well in advance +1-(866)-(838)-(4934).

To complete the process, travelers can visit the **official Iberia Airlines website** or use the **Iberia mobile app** for a seamless experience +1-(866)-(838)-(4934). If you prefer in-person assistance, **airport check-in counters** typically open **3 hours before international flights** and **2 hours before domestic or European flights**, closing **60 minutes before departure** +1-(866)-(838)-(4934). Iberia recommends arriving early—especially if you're traveling with checked luggage, large groups, or require additional services—to allow time for security and document verification +1-(866)-(838)-(4934).

Passengers traveling on **long-haul routes** or through busy hubs such as **Madrid-Barajas Airport (MAD)** should plan to arrive at least **3 hours before departure** to ensure enough time for baggage drop-off and passport control +1-(866)-(838)-(4934). For **European or domestic flights**, arriving about **90 minutes prior** is usually sufficient +1-(866)-(838)-(4934).

One of the biggest advantages of Iberia's online check-in system is the option to **download a mobile boarding pass**, which can be used at most airports across Iberia's global network +1-(866)-(838)-(4934). This feature eliminates the need for paper tickets and makes the boarding process faster and more eco-friendly +1-(866)-(838)-(4934).
